50X1-HUM

Attached to this report is a Deutsche Heereskarte 1:100,000 of the Sofia area of Bulgaria showing the location and direction of the main aerial system of the Stolnik radio site, Elin Pelin Okoliya. Points A thru F are plotted on the attached map. The area was viewed from points A and B. The east west leg of the main aerial system, C, is in line with and runs in the same direction as the main runway of the Vrazhdebna airfield.[1] A building, D, is located within the complex. Two smaller aerials, E and F, are independent of the main system.

Comment: 1 Airfields and Seaplane Stations of the World lists the runway of the Vrazhdebna airfield as being aligned in a east west direction.
